1. Some residents of Bucharest believe that the supply of food will gradually start to dwindle. It is becoming increasingly more difficult to get meat and some of the local residents are now stockpiling flour and sugar. 25X1  
Many food stores in Bucharest are to be changed over to beverage stores so that the people will not be as aware of the worsening food situation. However, this changeover is not yet apparent; on the contrary, more food stores appear to have opened up recently.
2. It is also the opinion of many Rumanians that the country is preparing for war. The Volunteer Association for the Defense of the country (Asociatia Voluntara pentru Sprijinirea Apararii Patriei - AVSAP) organization is now active in recruiting personnel. Recently an 18 year old girl was "requested" to join. 25X1
3. [redacted] broadcast from [redacted] a station which is heard by "many" Rumanians, has started a rumor in Bucharest to the effect that Bulganin and Voroshilov are going to be removed from power in the Soviet Union. Rumanians are able to arrive at a "very good" analysis of the news and what is going on in the outside world by listening to this station. 25X1
